64. Mann JR, Curry HL, Parkes SE and Powell JE (O)
Caring for survivors of childhood cancers: the size of the problem
ECCO 12 Scientific Conference, Copenhagen October 2003
European Jnl of Cancer 2003; 38 (Suppl 7) S218-19

R, Chui D, Redfern D, Mann JR, Young LS, Grundy RG and Murray PG (P)
Relationship of chromosomal imbalances to EBV status in paediatric Hodgkin's
Lymphoma
SIOP 36th Meeting, Oslo September 2004 - Poster Discussion Session
* SHORTLISTED FOR TUMOUR BIOLOGY PRIZE *
Pediatric Blood & Cancer 2004;43:366

Treatment and visual outcome of retinoblastoma - experience in Birmingham, UK from
1990-2000
SIOP 36th Meeting, Oslo September 2004
Pediatric Blood & Cancer 2004;621 (suppl 2):??

67. MG Shaikh, S Parkes, RG Grundy and Kirk JMW (P)
Central hypothyroidism predicts weight gain in craniopharyngioma patients
43rd Annual Meeting, European Society for Paediatric Endocrinology, Basel,
September 2004
Hormone Research 2004;62 (suppl 2):94

68. A Hockley, A Walsh, S Sgouros, M English, R Grundy, H Jenkinson and S Parkes
Outcome of intracranial ependymomas in children (O)
World Congress of Neurosurgery, Morocco June 2005
Proceedings of the World Congress of Neurosurgery
UNPUBLISHED ORAL (O) and POSTER (P) PRESENTATIONS at local, national and international meetings

1. Stevens MCG, Muir KR, Parkes SE, Cameron AH, Reid H and Whitwell HL (O)
Patterns of paediatric brain tumours in the West Midlands.
Xth UKCCSG Annual Scientific Meeting, Cambridge, 1987

2. Muir KR and Parkes SE (P)
The West Midlands Regional Children's Tumour Registry. (no abstract)
Grand Poster Session, West Midlands Oncology Association Meeting, Birmingham, November 1987

* POSTER PRIZEWINNER *

3. Muir KR, Lucke V, Davis A, Parkes SE, Mann JR and Stevens MCG (O)
Clustering in space and/or time of childhood leukaemia in the West Midlands Health Authority Region. (no abstract)
Annual Prize Meeting, Birmingham Blood Club, Birmingham, 1988

4. Lawson S, Muir KR, Parkes SE, Ingram DR, Stevens MCG, Mann JR and Davis A (O)
Changing incidence and geographical distribution of paediatric germ cell tumours in the West Midlands Health Authority Region: a West Midlands Regional Children's Tumour Registry (WMRCTR) study.
West Midlands Oncology Association Meeting, Birmingham, 1988

5. Stevens MCG, Cameron AH, Muir KR, Parkes SE, Reid H and Whitwell HL (P)
Patterns of primary CNS tumours in the United Kingdom.
First International Symposium of Paediatric Neuro-oncology, Seattle, May 1989

6. Lawson S, Muir KR, Parkes SE, Ingram DR, Stevens MCG, Mann JR and Davis A (P)
Changing incidence and geographical distribution of paediatric germ cell tumours in the West Midlands Health Authority Region: A WMRCTR study
1. Society for Social Medicine - 33rd Annual Scientific Meeting, Manchester, September 1989
2. International Association of Cancer Registries Meeting, Maastricht 1989

7. Muir KR and Parkes SE (P)
The West Midlands Regional Children's Tumour Registry.
1. Society for Social Medicine - 33rd Annual Scientific Meeting, Manchester, September 1989
2. International Association of Cancer Registries Meeting, Maastricht September 1989

8. Barrantes JC, Parkes SE, Toyn C, Muir KR, Raafat F, Cameron AH, Marsden HB and Mann JR (O)
DNA content in congenital mesoblastic nephroma using flow cytometry: possible prognosis and management implications
UKCCSG - Annual Scientific Meeting, Cardiff, November 1989

9. Oliver M, Muir KR, Parkes SE and Mann JR (O)
The application of regionalised variable theory to the study of childhood cancer clusters.
10. Huddart SN, Mann JR, Stevens MCG, Muir K and Parkes SE
Neuroblastoma in the West Midlands - a 32-year population-based review.
1. West Midlands Oncology Association, Birmingham, May 1990 (P) (no abstract)
2. British Association of Paediatric Surgeons, Glasgow July 1990 (O) (no abstract)

Are clusters of childhood cancer due to reduced herd immunity?
International Epidemiological Association - 12th Scientific Meeting, Los Angeles, August 1990

12. Muir KR, Parkes SE, Mann JR, Stevens MCG, Cameron AH, Raafat F and Waterhouse JAH (O)
The West Midlands Regional Children's Tumour Registry (WMRCTR), U.K.
International Epidemiological Association 12th Scientific Meeting, Los Angeles, August 1990 (Author discussion session)

13. Muir KR, Parkes SE, Mann JR, Stevens MCG and Cameron AH (O)
Childhood cancer: population-based incidence and survival in the West Midlands Health Authority region (WMHAR), U.K.
International Epidemiological Association 12th Scientific Meeting, Los Angeles, August 1990 (Author discussion session)

14. Oliver MA
Applying geostatistics to the incidence of childhood cancer in the West Midlands Health Authority Region (WMHAR, UK)
GEOSTATISTICS UK Conference, Leeds 1990

15. Jones T, Evans C, Raafat F, Coad NAG, Muir KR, Parkes SE and Mann JR (P)
Childhood non-endemic Burkitt's and Burkitt-like lymphoma in the West Midlands Region 1957-86: a morphological study
Meeting of the Pathological Society of Great Britain and Ireland, Cambridge, January 1991

16. Parkes SE, Cameron AH, Darbyshire PJ, Mann JR, Muir KR and Stevens MCG (P)
Neonatal tumours: a 30-year population-based study.

17. Muir K, Oliver M, Webster R, Parkes S, Cameron AH, Stevens MCG and Mann JR (P)
Detecting spatial patterns in the incidence of childhood cancer using the variogram.

18. Weinreb M, Murray PG, Mann JR, Crocker J, Parkes SE, Coad NAG and Jones T (O)
Das EBV-kodierte latente Membranprotein LMP1 bei Morbus Hodgkin des Kindesalters [Epstein-Barr virus-encoded latent membrane protein (LMP1) in Hodgkin’s Disease in children.]
19. Amoaku W, Willshaw HE, Parkes SE, Muir KR, Stevens MCG and Mann JR (O) 
Retinoblastoma: a review of thirty years' experience. 
9th Mting, International Society for Genetic Eye Diseases; 6th International Symp on 
Retinoblastoma. Siena, July 1992

20. Amoaku W, Willshaw H, Parkes SE, Muir KR and Mann JR (P) 
Thirty years of retinoblastoma 1960-89: incidence, treatment and outcome. 
Oxford Ophthalmological Congress, July 1992

(O) 
Carcinoid tumours of the appendix in children 1957-86: incidence, treatment and 
outcome. 
Joint Meeting of the American and European Paediatric Pathology Societies, 
Barcelona October 1992

22. Powell JE, Parkes SE and Mann JR (O) 
Childhood leukaemia in the West Midlands: a 12-year survey. 
1. West Midlands Oncology Association Winter Scientific Meeting, Queen Elizabeth 
Hospital, Birmingham February 1993 
2. West Midlands Regional Genetics Services Seminar, East Birmingham Hospital, 
April 1993 (no abstract)

Does conventional chemotherapy improve outcome for children with medulloblastoma? 
MEDULLOBLASTOMA 93, Marseilles June 1993

24. Powell JE, Parkes SE, Cameron AH and Mann JR (O) 
Childhood cancer and ethnic group: are Asian children at greater risk of developing 
cancer? (no abstract) 
University of Birmingham Institute of Child Health Research Meeting, October 1993

25. Mann JR, Parkes SE, Coad NAG, Muir KR, Jones TJ and Cameron AH (O) 
The epidemiology of Hodgkin's disease in children in the United Kingdom: information 
derived from a population-based children's tumour registry 
First International Meeting of SIOP in Africa, Stellenbosch, April 1994

Oncology workload at Birmingham Children's Hospital. (no abstract) 
British Medical Association Annual Representative Meeting, "Medicine From The 
Second City", Birmingham July 1994

27. Oliver MA and Mann JR (O) 
Detecting spatial pattern in the risk of childhood cancer. United Kingdom Association of 
Cancer Registries 3rd Annual Conference, Birmingham September 1994

28. Parkes SE, Powell JE, Raafat F, Cameron AH and Mann JR (O)
The West Midlands Regional Children's Tumour Research Group: the role of the specialist registry in cancer research.
United Kingdom Association of Cancer Registries 3rd Annual Conference, Birmingham September 1994

29. Powell JE, Kelly AM, Parkes SE, Cole TRP and Mann JR (O)
Childhood cancer, congenital abnormalities and consanguinity in West Midlands Asians.
1. Birmingham Medical Institute Clinical Oncology Study Day, Birmingham October 1994 (no abstract)
2. University of Birmingham Institute of Child Health Research Seminar, Birmingham November 1994 (no abstract)
4. University of Newcastle on Tyne Dept of Child Health, Newcastle December 1994 (no abstract)

30. Byrne PO, Hockley AD, Stevens MCG, Mann JR, Spooner D and Parkes SE (O)
Management of optic pathway tumours.
First Congress of the European Paediatric Neurology Society (EPNS)/First Interim Meeting of the European Society for Paediatric Neurosurgery, Eilat March 1995

31. Parkes SE (P)
The work of the WMRCTRG
1. Children's Hospital Funday/Lord Mayor's Show '95, Birmingham May 1995 (no abstract)
2. Lord Mayor's Reception, Council House (for Funday '96) October 1995

32. Powell JE (P)
Improving survival rates for children with cancer in the West Midlands
1. Children's Hospital Funday/Lord Mayor's Show '95, Birmingham May 1995 (no abstract)
2. Lord Mayor's Reception, Council House (for Funday '96) October 1995

33. Powell JE (P)
Cancer in Asian children in the West Midlands.
1. Children's Hospital Funday/Lord Mayor's Show '95, Birmingham May 1995 (no abstract)
2. Lord Mayor's Reception, Council House (for Funday '96) October 1995

34. Powell JE and Stevens MCG (P)
Mesothelioma in children
1. Children's Hospital Funday/Lord Mayor's Show '95, Birmingham May 1995 (no abstract)
2. Lord Mayor's Reception, Council House (for Funday '96) October 1995

35. Amoaku WMK, Willshaw HE, Parkes SE, Shah KJ and Mann JR (P)
Trilateral retinoblastoma: a report of 5 cases.

36. Darbyshire PJ, Mann JR, Stevens MCG, Powell JE and Parkes SE (O)
The BFM protocol for AML: 11 years' experience at Birmingham Children's Hospital (no abstract)
West Midlands Blood Club, Birmingham November 1995

37. Byrne PO, Hockley AD, Stevens MCG, Mann JR, Spooner D and Parkes SE (O)
Management of optic pathway tumours.
Royal Society of British Neurosurgeons, Preston April 1996

38. Parkes SE, Stevens MCG and Hockley AD (O)
Workload and patterns of referral [to BCH Neuro-Oncology service]
Inter-Regional Brain Tumour Audit Meeting, Queen's Medical Centre, Nottingham, November 1996 (no abstract)

39. Selway RP, Parkes SE, Hockley AD, Spooner D, Stevens MCG and Walsh R (O)
Supratentorial high grade astrocytoma and PNET in children. A review of 23 cases.
Inter-Regional Brain Tumour Audit Meeting, Queen's Medical Centre, Nottingham, November 1996 (no abstract)

40. Jenkinson HC, Parkes SE and Mann JR (P)
The incidence of paediatric desmoid tumours and association with familial adenomatous polyposis.
Soft Tissue Sarcoma Meeting, Stuttgart April/May 1997

41. McMullan JdeV, Hockley AD and Parkes SE (O)
The management of intramedullary cord tumours at the cervico-medullary junction in children.
Royal Society of British Neurosurgeons, Sheffield April 1998

42. Cole T, Blacklay A, Maher E and Mann JR (O)
A review of 59 consecutive cases of Wilms’ tumours and documentation of the dysmorphic syndromes and clinical features associated.
Eighth Manchester Birth Defects Conference, Manchester, November 1998

43. Powell JE (O)
Neuroblastoma in Europe: variations in incidence and mortality between countries
Consensus Conference on Neuroblastoma Screening, Lyon, December 1998

44. Blacklay A, Cole T, Grundy R, Maher E and Mann JR (O)
A review of 59 consecutive cases of Wilms’ tumours and documentation of the dysmorphic syndromes and clinical features associated.
Third International Conference on Molecular and Clinical Genetics of Childhood Renal Tumors and The Mitchell Ross Symposium on Anaplastic and other High Risk Embryonal Tumors of Childhood, Philadelphia April 1999

45. Mann JR (O)
Our Children's Tumour Registry - an example of a disease register's value for research
BCH Research Lecture series, September 1999

46. Cole T, Verrma L, McDonald F, Parkes SE, Mann JR, Kolodner R and Maher E (O)
Turcot Syndrome: clinical and molecular analysis provides evidence for an expanded and atypical autosomal recessive phenotype.
Meeting of the Clinical Genetics Society, London March 2000

47. Parkes SE, [Mahler H], Blacklay A, Stevens MCG and Mann JR (P)
Life after childhood cancer
BCH Inaugural R&D Day, Birmingham July 2000

48. Powell JE, Mendez E, Parkes SE and Mann JR (P)
Factors affecting survival in white and Asian children with acute lymphoblastic leukaemia treated at the Birmingham Children’s Hospital
BCH Inaugural R&D Day, Birmingham July 2000

Neuroblastoma in Europe: variations in disease survival
BCH Inaugural R&D Day, Birmingham July 2000

50. Parkes SE and Mann JR (P)
How ethical is your research?: issues of consent and confidentiality (no abstract)

51. Parkes SE (O)
How to do research - and stay legal (no abstract)
BCH Research Lecture Series, March 2002

52. Parkes SE and Mann JR (P)
The contribution of cancer registries to paediatric clinical practice.
International Association of Cancer Registries Conference, Tampere (Finland) June 2002

53. Parkes SE and Mann JR (P)
The contribution of cancer registries to paediatric clinical practice (no abstract)
BCH Third R&D Day, Birmingham July 2002

54. Parkes SE and Mann JR (P)
The contribution of cancer registries to paediatric clinical practice.
UK Association of Cancer Registries AGM & Conference, Leeds September 2002

55. Mann JR and Parkes SE (O)
The burden to the NHS of childhood cancer survivors (no abstract)
BCH Research Lecture Series, December 2002

56. Mann JR, Curry HL, Parkes SE and Powell JE (O)
Caring for survivors of childhood cancers: the size of the problem (no abstract)
6th Shaukat Khanum Memorial Cancer Symposium, Dubai October 2003

57. Parkes S and Mann JR (P)
Children's cancers - are they different?
UK Association of Cancer Registries AGM & Conference, Cardiff October 2003

* POSTER PRIZE-WINNER *
58. Parkes S and Mann JR (P)
Children's cancers - are they different?
European Network of Cancer Registries' Meeting, London October 2003

59. Parkes SE (O)
Children's cancers - are they different?
West Midlands Cancer Intelligence Unit Hospital Contacts Day, B'ham October 2003

60. Parkes S and Mann JR (P)
Children's cancers - are they different?
1) BCH 4th R&D Day, October 2003
2) Launch of Key Health Data in the West Midlands 2004 Report
   Birmingham Council House (O)
   Worcester Town Hall
   University of Keele (O)

61. Parkes S
Data Protection quiz
BCH 4th R&D Day, October 2003

62. MG Shaikh, S Parkes, RG Grundy and JMW Kirk (P)
All cranial tumours are at risk of weight gain following treatment
British Society for Paediatric Endocrinology and Diabetes, Edinburgh November 2003

Relationship of chromosomal imbalances to EBV status in paediatric Hodgkin's Lymphoma
Sixth International Symposium on Hodgkin's Lymphoma, Cologne September 2004

64. Parkes S, Jenkinson H, Griffiths A, Kinch D and Mann JR (P)
Postal follow-up of childhood cancer survivors - does it work?
1) UK Association of Cancer Registries AGM & Conference, London September 2004
2) BCH 5th R&D Day, October 2004
3) Launch of Key Health Data in the West Midlands 2004 Report, June 2005:
   Birmingham Council House
   Worcester Town Hall
   University of Keele

65. Roche MF, Hovard L, Botha J, Carrigan C and Parkes S (O)
Developing a patient information leaflet about the national cancer registration scheme
UK Association of Cancer Registries AGM & Conference, London September 2004

66. Parkes S
Data Protection quiz
BCH 5th R&D Day, October 2004

67. Roche MF, Hovard L, Botha J, Carrigan C and Parkes S (P)
Developing a patient information leaflet about the national cancer registration scheme
European Network of Cancer Registries Meeting, London October 2004
68. English MW and Parkes SE (O) (no abstract)
Malignancy in neonates
Lunchtime seminar, Dept of Neonatology, City Hospital Birmingham February 2005

69. SE Parkes and JE Powell (O) (no abstract)
Cancer in West Midlands children
Launch of Key Health Data for the West Midlands 2004 Report
1) Birmingham Council House, June 2005
2) Keele Hall, University of Keele, Staffordshire June 2005

70. Parkes S, Jenkinson H, Griffiths A, Kinch D and Mann J (P)
Postal follow-up of childhood cancer survivors
6th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer, Niagara June 2006

71. SE Parkes and HC Jenkinson (O)
Long-term health effects of cancer in childhood
UK Association of Cancer Registries AGM and Conference, Birmingham October 2007

72. Parkes SE and Jenkinson HC (P)
Long-term health effects of cancer in childhood
10th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer, Niagara June 2008

73. Jenkinson H, Griffiths A, Mann JR, Willshaw H and Parkes S (P)
Retinoblastoma – the cost of cure. A report from the West Midlands Regional Children’s Tumour Registry
10th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer, Niagara June 2008

74. English M, Parkes S, Davies P and Peet A (O)
Prevalence of children affected by brain tumours in the UK West Midlands
International Symposium on Pediatric Neuro-Oncology, Chicago June 2008

75. Parkes SE (O)
The WMRCTR and the long-term follow-up programme

76. Griffiths A and Parkes S (O)
The West Midlands Regional Children’s Tumour Registry
Workshop on the Registration of Childhood Cancers and Related Survivorship Research in Japan and the UK, University of Birmingham August 2008

77. Parkes SE and Mann JR (P)
The contribution of cancer registries to paediatric clinical practice.
Launch of Key Health Data for the West Midlands 2007/8 Report
1) Keele Hall, University of Keele, Staffordshire September 2008
2) Birmingham Council House, September 2008
78. Parkes SE and Jenkinson HC (P)  
   Long-term health effects of cancer in childhood  
   1) Keele Hall, University of Keele, Staffordshire September 2008  
   2) Birmingham Council House, September 2008

79. Parkes S and Mann JR (P)  
   Children's cancers - are they different?  
   1) Keele Hall, University of Keele, Staffordshire September 2008  
   2) Birmingham Council House, September 2008

80. Parkes SE and Hobin DA (P)  
   50 years of early teenage cancers in the West Midlands, 1957-2006  
   TYAC Winter Education Day: A Day Focusing on Research, Manchester December 2008

81. BCH and WMRCTR, in partnership with UHB and Pan-Birmingham Cancer Network (P)  
   Development of a 3-tier model of long-term follow up care based upon the stratification of patients into risk groups: developing the postal follow-up model  
   National Cancer Survivorship Initiative (NCSI) Workshop, September London 2010

82. BCH and WMRCTR, in partnership with UHB and Pan-Birmingham Cancer Network (P)  
   Development of a 3-tier model of long-term follow up care based upon the stratification of patients into risk groups: developing the nurse-led model  
   National Cancer Survivorship Initiative (NCSI) Workshop, September London 2010

83. Cifelli A, Parkes S, Davies P and Jenkinson H (O)  
   Lost to follow-up – who, why and what can be done?  
   British Paediatric Oncology and Haematology Group, RCPCH Annual Conference, Warwick April 2011
CONTRIBUTIONS MADE TOWARDS
